Will bro. Russell send the "Mass Abolitionist" as requested in my last letter to Prudence W. Hathaway, Freetown Mass. ?

I forwarded the money for the paper and desired that it might be sent together with my other papers to the Freetown P. O. — but it has never been rec'd. Why I cannot tell.

Will bro. Phelps or Russell send by Mr Kingsley a few of the female Emancipation Society, constitution and address ?

Respectfully Yr

Br Phelps

Please say to Br Nichols, that the Abolitionist has been regularly sent to Freetown to Miss S. W. Hathaway, & he will find the papers thus directed in the Office. I mistook his D for an S, it being made so oddly.

I have written myself.

G R.

If you wish to write a line I can send it with the bundle I send by Mr Kinsley.

Rev. A. A. Phelps

My dear Sir

The first annual meeting of the Bristol Co. Abo. Society will be holden at East Attleboro' on the 31st of this mo. and will continue through the following day - the first of August - which will be the public Anniversary -

I have seen in the "Mass Abo". a notice of the meeting by our Rec. Sec. giving encouragement, or rather expressly stating that distinguished speakers might be expected. And I have since learned from him that none were engaged altho. notice was given to that effect.

I now write in behalf of our Soc. and most earnestly request you to favour us with your presence, or, if otherwise engaged, that you would send one, two or three speakers at the time and place above specified.

We should like Bro. Lee, St. Clair, Torrey or Cummings - Those who may come will, of course, come prepared for the occasion - the 1st of August.

This meeting will, no doubt, be a good meeting - It will be the first Co. meeting wh. we have ever had in that part of the County and we feel sanguine that large delegations will come in and do something handsome for our treasury - and produce an impression wh. shall be favourable to new organization and opposed to Garrisonian Sectarianism.
